

VISIT LONDON

GOLF, LIFESTYLE & NETWORKING DAY
The Grove, Hertfordshire

Friday 14th August 2009

Following the success of last year, **Visit London** would like to invite you to join them and their new partners **Sportingclass** and **The Grove** for this event on Friday 14th August, for their annual golf, lifestyle and networking day.

Enjoy a relaxed networking breakfast / brunch before teaming up for either 18 holes on The Grove's World Championship Course, or enjoy taking part in a range of activities including horse riding, mountain biking, petanque, croquet or even golf lessons that are on offer.

After a day of competition and fun there will be a brief awards presentation, before spending the early evening networking with like minded individuals over a barbeque and drinks within the Walled Garden, at what is arguably London's finest country retreat.

This event is now open to all business partners and suppliers across all three companies and as such provides a fantastic opportunity to introduce yourself and promote your business to some of the biggest players connected to the London tourism and sport industry.

We have created a single or team package for this event and have limited capacity so it is advised to book early, with places confirmed on a first come first served basis.

We believe that this package represents outstanding value for money when considering the level of the audience and the benefits that will be received.

Package Price:

£295 + VAT per person (golf or lifestyle guests)

Team Package Price:

£995 + VAT per 4 guests (golfers only)

OPPORTUNITIES EXIST TO ENHANCE YOUR PACKAGE

Packages can be enhanced through sponsorships, provision of prizes, and supply of quality goody bag gifts,

For further details, please contact **Paul Welch** at Sportingclass on **0208 410 6035** or paulw@sportingclass.com
